Hello AEG Team!

CooperVision has announced the discontinuation of Biomedics 55, Biomedics Toric, and the Clariti 1 Day Multifocal (Legacy 2-Add Design). To ensure a smooth transition, please review the discontinuation schedule below and place any necessary orders before the specified dates, as these lenses will not be reactivated in the future. If you have patients currently using these lenses, we recommend transitioning them to an alternative product.

Discontinuation Schedule

Product	Trial Lenses Discontinued	Revenue Boxes Discontinued
Biomedics 55 & Biomedics Toric	May 1, 2025	May 1, 2026
Clariti 1 Day Multifocal (Legacy 2-Add Design)	June 30, 2025	December 31, 2025

For any further questions or assistance, please submit a HelpDesk ticket to the Merchandise Team. Thank you for your attention to this update. take the necessary steps to update your patients accordingly.

Thank you,

The Product Supply Chain Team
